Jabra GN

Jabra Evolve 65
Professional wireless headset with dual connectivity and amazing sound for calls and music

More than headsets, a workplace evolution
Jabra Evolve 65 is a professional wireless Bluetooth® headset that improves your conversations and helps you concentrate. It comes with Jabra Link 370 USB adapter.

Freedom to multi-task
A wireless Bluetooth® connection provides the flexibiity to move around freely while working (up to 30m/100 feet away from phone device), take calls and listen to music wirelessly from mobile devices, and having no interfering cords when working at the pc.

Stay in the zone and avoid interruptions
The Jabra Busylight helps you to cope with the challenges of an open office environment and let people clearly know that you are on the phone. The indicator turns red when you are on a call and keeps you from being interrupted.

Always connected
Don't miss a call and listen to music from your preferred device using the same headset. Connects simultaneously to two phone devices via Bluetooth®, letting you stay connected to both your web browser based phone and your mobile phone at the same time. Enabling you to play music or take calls from both devices, using the same headset.

Convenient charging and storage
Comes optional with a charging stand, providing easy and convenient charging and storage.

Reasons to choose

Jabra Evolve 65

- Freedom to multi-task
- Stay in the zone and avoid interruptions
- Always connected
- Convenient charging and storage
- All-day comfort
- Works with all leading UC platforms

01 How to connect

Connect to PC (using Jabra Link 370)
Plug the Jabra Link 370 dongle into a USB port on your PC. The headset and the Jabra Link 370 are already pre-paired.
Connet to mobile device (using Bluetooth®)
Wear the headset and hold (3 secs) the On/off/connect switch in the connect position until you hear the voice-guided instructions. The Bluetooth® indicator will flash blue.

Connect to PC (using USB cable)
Plug the headset into any USB port on the PC using the supplied USB cable, and ensure the headset is switched on.
