How to connect

PC

Plug the Jabra Speak 510 USB cable into any available USB port on your PC. Select the Jabra Speak 510 as the default audio device in Windows Control Panel sound settings, and in your softphone audio settings.

How to charge

Plug the Jabra Speak 510 USB cable into any available USB port on your PC to charge the battery.

The battery light is red when charging, and green for 1 minute when fully charged.

How to use

If using a Jabra Speak 510+, the speakerphone and Jabra Link 370 are pre-paired and ready to use out of the box.
